**Issued: October 3, 2018**

### I. Introduction

Lexington Market Inc. (“LMI”), on behalf of the Mayor and City Council of Baltimore (the “City”), through this Request for Proposals (RFP), is seeking written proposals from qualified Respondents for the long-term lease and redevelopment of City-owned properties located in the block immediately west of historic Lexington Market. The intent of this RFP is to promote the development of this property in a fashion that will achieve City objectives of growing the local economy, supporting the adjacent Lexington Market, strengthening communities, generating City taxes, and making a significant capital investment in Downtown. Further, it is the intent of this RFP to promote redevelopment that fits within the context of the Bromo Tower Arts and Entertainment District, Market Center National Historic District, and the University of Maryland, Baltimore campus.

### II. Site Description

The West Market Parcels (herein referred to as the “Site” or “Property”) is comprised of three (3) parcels – 520 West Lexington Street, 200 North Paca Street, and 232-5 North Paca Street, which are also known as Ward 4 Section 5 Block 593, Parcels 1, 2, and 3 (see Exhibit 1, Block Plat). A variety of tax credits are generally available to the public. It is the Developer's responsibility to ascertain which of the programs will provide the greatest assistance based on proposed use and proposed development approach.

VI. Standards and Controls

- A. All appropriate provisions of the Zoning Code of Baltimore City, land-use regulations, and building/fire codes of Baltimore City shall apply to the Project.

- E. Reliance on public financial assistance is not offered or anticipated.
- F. The Respondent understands that that the City is offering the Property in an "As-Is" condition through a Master Developer's Agreement (MDA). The City will retain ownership of the property and will coordinate with the selected respondent in drafting an MDA for the purpose of the Project.

- H. No storage of materials, refuse, garbage, unlicensed vehicles, etc., shall be permitted to remain outside structures, except as allowed by Baltimore City regulations. All dumpsters and trash/recycling facilities and equipment shall be screened from view at all times.
